

## July 2015 Newsletter

### Check Out Our New Website!

Herndon & Associates is pleased to present our new website! We have developed this website using PHP and HTML5. What does that mean to you? Well, H&A is moving into more modern and robust technology to make your experience even better! Also, our new website can be accessed from any mobile or tablet device. As always, information sent via our Client Portal is encrypted using SSL so you can be rest assured that your information is safe with us!

### We Are On Social Media!

H&A is now on social media. Click on the icons below and "follow us" to stay up-to-date on all of the latest technologies and news related to our business.

### Remember!

Remember, you can submit files online and download reports. Once your file is closed, an automatic email is generated from our system. If your file included a report and photographs, those are immediately available for download. If you do not know your client login, please contact us at [info@herndon-assoc.com](mailto:info@herndon-assoc.com), and we will provide it to you. As always, if you prefer these items emailed to you, we are happy to accommodate.

### What's Next?

This year, H&A will be making changes to the Client Portal. If you have any suggestions or have other feedback, please let us know! Your opinion means a lot to us!
